Hello Celtic Warriors Otzenhausen!

Our biggest German fan has sent us the link to the Battle of Otzenhausen, as he believes Sanity's Rage (BE - Thrash Metal) would be an awesome fit to play there next year in 2026!

Sanity's Rage is a **Belgian Thrash Metal band** (located in the Flemish part near Brussels) that exists since 2002 and is influenced by bands such as Testament, Kreator, Suicidal Angels,... We combine oldschool thrash metal with catchy guitar harmonies, raw energy & emotion! During our +20 year career we played alongside top acts such as Evil Invaders, Cyclone, Laaz Rockit, Testament and many others, with some highlights being Beermageddon headliner (UK, 2024), Alcatraz Metal Fest (2009 and 2024) and Heavy Sound Tribute (2024). This short **1 min. aftermovie from Alcatraz Metal Fest** last summer shows you what to expect from a Sanity's Rage live show: <https://www.youtube.com/watch?v=tLeDg9ojej0>

aggression and technical level.

Founded in 2002, when Thrash Metal bands were very few and other, more extreme genres had taken over the scene In Belgium, Sanity's Rage came together as a band with a shared passion for catchy songwriting, raw energy and emotion, brought with technical skill.

The band has played renowned venues and festivals in Belgium, The Netherlands, Germany and The United Kingdom, alongside top acts such as After All, Agent Steel, Bonded By Blood, Cyclone, Destructor, Evil Invaders, Gama Bomb, Holy Moses, Huntress, Hyades, James Rivera, Laaz Rockit, Liar, Onslaught, Reign Of Fury, Savage Messiah, Skyclad, Saxon, Testament and many others. Some of the highlights being Beermageddon (UK) in 2014 and 2024 and Alcatraz Metal Fest (BE) in 2009 and 2024.

Their debut EP '**The Rage Of One**' was well received by the international press, the followup CD '**You Are What You Swallow**' proved they weren't just a one trick pony and took them up a level. Now, in 2025, Sanity's Rage is back with a new album '**The Dead Don't Run**', and continue the story of pure fucking thrash.

Over 10 years after the last release, with a complete lineup change, bringing back most of the original band members who started the story 20 years ago.
